

ZHUHAI CITY BRANDING

An aerial photograph of a coastal city, likely Zhuhai, China. The image shows a large harbor with a long pier and many boats. A sandy beach is visible in the center, surrounded by dense urban development and green hills. The water is a vibrant blue-green color. The text "Top 1 Livable City in China" is overlaid in the center of the image.

Top 1 Livable City

in China

An aerial night photograph of Shenzhen, China. The foreground shows the distinctive, sail-shaped architecture of the Shenzhen Opera House, illuminated with warm lights. The middle ground is filled with the dense urban landscape of the city, with numerous high-rise buildings glowing with lights. The background features a large body of water, likely the Shenzhen Bay, with many boats visible. The sky is a mix of deep blue and orange, suggesting a sunset or sunrise. The overall scene captures the vibrant and modern nature of this major Chinese city.

Macao

A wide-angle photograph of a modern university campus at sunset. The sky is filled with soft, golden clouds. In the background, several multi-story buildings with large glass windows are visible. The central focus is a large, modern building with a prominent glass facade that reflects the sky and surrounding structures. In the foreground, a calm body of water reflects the building and the sky. To the left of the water, there is a paved plaza with a few people walking. In the bottom foreground, there are large, colorful 3D letters spelling out '2023' in various colors (red, orange, yellow, green, blue, purple).
